Waistcoat/Vest Designing with Lutterloh

Waistcoats/vests are great fashion accessories to stretch your wardrobe options. In this project we will be using a casual vest pattern from the Lutterloh Pattern collection (our Master Pattern) and do some crazy patchwork and embellishment to it to create a complete different look.

One will be a Quilted vest, another one will be loose and drapey, and another will be punk/biker style or a safari look. The sky is the limit with what we can do with this vest. Full instructions and helpful hints to sew your Vest will be provided

Price: A\$29

Once you have ordered the Project, we will email the contents of the project and patterns to you within 24 hours. This will allow you to work through the Projects in your own time (whenever and where-ever you want to) and pose questions to Sonja during the set time frames.
