COLLARS.....the Easy Way

This is a 2-week course designed to teach you to sew traditional collars as well as an easy express collar and advanced detachable and tie collar.

- Price: A\$19

Expanded Description:

A visible mark of quality workmanship on a garment is its collar. Regardless of style, the collar is a detail that requires careful handling in every stage of construction in order to retain its quality appearance. When you are browsing through a fashion magazine or pattern catalogue, you'll find the variation in collars can be quite staggering. But however exotic the collar shape may seem, three basic shapes – flat, standing and rolled – are the starting points for all variations.

Following the easy step-by-step instructions of the Collars Online Class on the different collar applications will make them so much more professional.

I will personally answer your questions as we go along, and you will have the opportunity to see what others ask and the answers as well. You will not only learn a lot, but will also have fun.

LESSONS INCLUDE:

- Flat Collars
- Rolled Collars
- Standing Collars
- Wrapped corner Collars
- Express Collar and Collar band
- Mandarin Collars
- Fold over bias Collars
- Tie Collars
- Detachable Collars
- Flunnel Collars

Once you have ordered the Class, we will email the contents of the class to you within 24 hours. This will allow you to work through the Projects in your own time (whenever and where-ever you want to) and pose questions to Sonja during the set time frames.
