**Alois Webb from Perth, Australia:**

*"I have been wanting a pattern system like this all my sewing life! . I am beside myself with how incredibly easy a perfect fitting pattern can be. Why didn't I know about it years ago!"*

**Louise Sparrow (Coombabah, QLD -Australia):**

*"I purchased the Lutterloh patternmaking system from you in Brisbane and have since made several patterns for myself (including pants, which is the real test) and am absolutely delighted with the results. This is the first time I have not had to make a single adjustment to a pair of pants - perfect fit!"*

**Elizabeth Kirby (Hobart -Tasmania)**

*" I bought the kit in Hobart at the craft fair early this year and have had so much fun making clothes from six 6month to size 22 ...just love it "*

**Jackie Goff (Sydney – Australia):**

*" Thanks for the fast response. I must say that I truly enjoy the "customer service to the max" that you provide to your customers - it is unheard of these days to get prompt, individual attention."*

**Louise Schubert -DFW Chapter American Sewing Guild (Dallas) says:**

*Thank you again for a wonderful experience in learning to use the Lutterloh system. I am just amazed at how easy this method is to use. Needless to say, without Sonja's expertise and ability to teach, the system would not be nearly so easy to use. I know that all our ladies had a wonderful time of learning. You guys are the BEST!"*

**Alyssa from Victor Harbor Sewing Centre in South Australia says:**

*" Thank youfor such an amazing two days of successful pattern making. I have had so many positive comments and some very excited ladies making trousers, blouses and vests! "*

**Lian Lim from New South Wales says:**

*" I would like to thank you both for a wonderful weekend of learning the Lutterloh pattern making - I've learnt something the easy way and very interesting. The e-book is so helpful as a reference after the class and I'll certainly be sewing something from what's learnt."*

**Jean Zyglowicz from Leesburg, Virginia, USA says:**

*"I enjoyed the class! It was my first online experience, and I found it wonderful. All of the lessons were very easy to read and follow. It was definitely worth it. Thank you so much and please keep me updated on future classes."*

**Keryl Enright (Western Australia)**

*"I have bought both the pocket lessons and the zip lessons. I have done most of the pockets but read only for the zips. I am really happy and have found it a good resource investment. I will subscribe to future lessons if offered. I live in rural WA so don't have easy access to lessons. Being able to save the step by step lessons for future reference will be very worthwhile."*
