

Treat yourself to a new learning adventure!

Sonja has been using this system for the last 25 years, making all her clothes as well as wedding dresses of the three daughters using this system. She loves to share her valuable 'Lutterloh Pattern Making' knowledge and tips

Skirt Designing with Lutterloh

Sonja will assist you to draft a simple plain Pencil-Skirt pattern from the Lutterloh Pattern collection (our Master Pattern). She will then show you how to apply some simple design changes. First of all lengthen and shorten the skirt and also changing the waistband (facings, elasticized, ribbing, contour waists & hipsters). Next we will change the skirt to an A-line, yoke, wrap & gore skirt. Lastly we will focus on some interesting designs. Full instructions to sew your Skirt and handy tips will also be provided.

Price: A\$29

Once you have ordered the Project, we will email the contents of the project and patterns to you within 24 hours. This will allow you to work through the Projects in your own time (whenever and where-ever you want to) and pose questions to Sonja during the set time frames.

Diane Sommer from Sydney says:

" Thanks again for a great day - it really is a wonderful system. I'm just sorry it took me so long to find it!!"
