

# Treat yourself to a new learning adventure!

*Sonja has been using this system for the last 25 years, making all her clothes as well as wedding dresses of the three daughters using this system. She loves to share her valuable 'Lutterloh Pattern Making' knowledge and tips*

## ***Trouser Designing with Lutterloh***

You will start with a simple trouser pattern from the Lutterloh Pattern collection (our Master Pattern) and show you how to apply some simple design changes. We will supply the pattern.

You will kick-off with just changing the waists (hipsters, contoured, elasticized, waistbands & ribbing). Then Sonja will go on and show you how to change the widths of the legs (bootleg, wide, narrow) and to more advanced changes (inserting zips, pockets, embroidery etc).

Full instructions to sew your Trouser and handy tips will also be provided.

### **Price: A\$29**

Once you have ordered the Project, we will email the contents of the project and patterns to you within 24 hours. This will allow you to work through the Projects in your own time (whenever and where-ever you want to) and pose questions to Sonja during the set time frames.

*Louise Schubert -DFW Chapter American Sewing Guild (Dallas) says:*

*" Thank you again for a wonderful experience in learning to use the Lutterloh system. I am just amazed at how easy this method is to use. Needless to say, without Sonja's expertise and ability to teach, the system would not be nearly so easy to use. I know that all our ladies had a wonderful time of learning. You guys are the BEST!"*
