

Improve your Sewing Techniques!

ZIPS....the Easy Way

In this 2-week course the fly front, lapped, invisible and open-end zip techniques will be tutored.

■ **Price: A\$19**

Expanded Description:

Choosing a zipper is no longer just finding the right length and colour. Choices regarding types of teeth, sizes and weights, slider variations and zipping access options makes it so more fun choosing the right zip for your project. The potential of the zipper is limitless.

Following the easy step-by-step instructions of the Zips Online Class on the different zip applications will make them so much more professional.

I will personally answer your questions as we go along, and you will have the opportunity to see what others ask and the answers as well. You will not only learn a lot, but will also have fun.

LESSONS INCLUDE:

- Introduction to Zips
- Centered Zips
- Lapped Zips
- Fly front Zips
- Invisible Zips
- Open-end Zips
- Express open-end Zips
- Zip pockets

Once you have ordered the Class, we will email the contents of the class to you within 24 hours. This will allow you to work through the Projects in your own time (whenever and where-ever you want to) and pose questions to Sonja during the set time frames.

Jean Zyglowicz from Leesburg, Virginia, USA says:

"I enjoyed the class! It was my first online experience, and I found it wonderful. All of the lessons were very easy to read and follow. It was definitely worth it. Thank you so much and please keep me updated on future classes."
